

## List of participants

Name		Organization
Alonzo	Giuseppe	Dipartimento dei Sistemi Agro-Ambientali, Università degli Studi di Palermo, Italy
Alt	Martin	Institute for Environmental Sciences, Dpt. of Env. and Soil Chemistry, University of Koblenz-Landau, Germany
Barnikol	Sandra	Institute for Environmental Sciences, Dpt. of Env. and Soil Chemistry, University of Koblenz-Landau, Germany
Bertmer	Marko	Institut für Experimentalphysik II, Fakultät für Physik und Geowissenschaften, University of Leipzig, Germany
Berns	Anne	Forschungszentrum Jülich, Germany
Buurman	Peter	Earth System Sciences Group, Dept. of Environmental Sciences, Wageningen University, The Netherlands
Chenu	Claire	AgroParisTech, Bioemco, 78850 Thiverval Grignon, France
Conrads	Hannah	Institut für Bodenkunde und Standortslehre, Universität Hohenheim, Stuttgart, Germany
Conte	Pellegrino	Dipartimento dei Sistemi Agro-Ambientali, Università degli Studi di Palermo, Italy
Ctvrtnickova	Anna	Faculty of Chemistry, Brno University of Technology, Czech Republic
Dellantonio	Alex	Institut für Bodenforschung, BOKU Wien, Austria
Diehl	Dörte	Institute for Environmental Sciences, Dpt. of Env. and Soil Chemistry, University of Koblenz-Landau, Germany
Doerfer	Corina	Chair of Physical Geography and Soil Science, Institute of Geography, University of Tübingen, Germany
Ellerbrock	Ruth	Leibniz-Centre for Agricultural Landscape Research (ZALF), Institute of Soil Landscape Research, Müncheberg, Germany
Ernst	Gregor	BASF Ludwigshafen, Germany
Eusterhues	Karin	Institut für Geowissenschaften, Friedrich-Schiller-Universität Jena, Germany
Fründ	H. Christian	University of Applied Sciences, Osnabrück, Germany
Gonzalez Ubierna	Sergio	Soil Science Department. Universidad Complutense de Madrid, Spain
Graf	Markus	Institute of Ecology, Department of Soil Science, Berlin University of Technology, Germany
Hansen	Kerstin	Institute of Soil Sciences, University of Hamburg, Germany
Heidak	Markus	Institute of Earth Sciences, University of Heidelberg, Germany
Heitkamp	Felix	Landscape Ecology, Institute of Geography, University of Göttingen, Germany
Heller	Christian	Div. of Soil Science and Site Science, Faculty of Agriculture and Horticulture, Humboldt-University of Berlin, Germany
Huber	Stefan	Institute of Earth Sciences, University of Heidelberg, Germany
Jäger	Alex	Institut für Experimentalphysik II, Fakultät für Physik und Geowissenschaften, University of Leipzig, Germany
Jorge-Mardomingo	Ignacio	Soil Science Department. Universidad Complutense de Madrid, Spain
Keller	Harald	BASF Ludwigshafen, Germany
Kiersch	Kristian	Professur Bodenkunde, Universität Rostock, Germany
Koch	Nadine	Faculty of Geosciences, Department of Soil Science, University of Trier, Germany
Kögel-Knabner	Ingrid	Lehrstuhl für Bodenkunde, Technische Universität München, Germany
Kotte	Karsten	Institute of Earth Sciences, University of Heidelberg, Germany
Krause	Torsten	Institute of Earth Sciences, University of Heidelberg, Germany
Krüger	Jaane	Institute of Ecology, Department of Soil Science, Berlin University of Technology
Kucerik	Jiri	Institute for Environmental Sciences, Dpt. of Env. and Soil Chemistry, University of Koblenz-Landau, Germany
Kunhi Mouvenchery	Yamuna	Institute for Environmental Sciences, Dpt. of Env. and Soil Chemistry, University of Koblenz-Landau, Germany
Lair	Georg	Institut für Bodenforschung, Department für Wald- und Bodenwissenschaften, Schwackhöferhaus, Wien, Austria
Lang	Fritzi	Institute of Ecology, Department of Soil Science, Berlin University of Technology, Germany
Lewandowski	Hans	Forschungszentrum Jülich, Germany
Mikulowska	Anna	University Koblenz- Landau, Germany
Miltner	Anja	UFZ - Helmholtz-Zentrum für Umweltforschung, Department Environmental Biotechnology, Leipzig
Navé	Barbara	BASF Ludwigshafen, Germany
Peikert	Benjamin	Institute for Environmental Sciences, Dpt. of Env. and Soil Chemistry, University of Koblenz-Landau, Germany
Pignatello	Joseph	Department of Environmental Sciences, Connecticut Agricultural Experiment Station, New Haven, Connecticut, USA
Prosova	Alena	Forschungszentrum Jülich, Germany & Faculty of Chemistry, Brno University of Technology, Czech Republic
Rennert	Thilo	Institut für Geowissenschaften, Friedrich-Schiller-Universität Jena, Germany
Sauer	Daniela	Institut für Bodenkunde und Standortslehre, Universität Hohenheim, Stuttgart, Germany
Schäffer	Andreas	Chair of Environmental Biology and Chemistry, RWTH Aachen, Germany
Schaumann	Gabi	Institute for Environmental Sciences, Dpt. of Env. and Soil Chemistry, University of Koblenz-Landau, Germany
Schneckenburger	Tatjana	Department of Geography and Geosciences, Soil Science, University of Trier, Germany
Schöler	Heinfried	Institute of Earth Sciences, University of Heidelberg, Germany
Schwarz	Jette	Institute for Environmental Sciences, Dpt. of Env. and Soil Chemistry, University of Koblenz-Landau, Germany
Shchegolikhina	Anastasia	Department of Soil Science and Soil Ecology, Ruhr-University Bochum, Germany
Siewert	Christian	University of Applied Sciences Dresden, Faculty of agriculture and landscape management, Germany
Skowronek	Armin	Instituts für Nutzpflanzenwissenschaften und Ressourcenschutz (INRES), University of Bonn, Germany
Spielvogel	Sandra	Institute for Environmental Sciences, Dpt. of Env. and Soil Chemistry, University of Koblenz-Landau, Germany
Studenroth	Sabine	Institute of Earth Sciences, University of Heidelberg, Germany
Thiele-Bruhn	Sören	Faculty of Geosciences, Department of Soil Science, University of Trier, Germany
Tunega	Daniel	Inst. of Soil Research, Dep. Forest and Soil Sciences, BOKU Vienna, Austria
Waldner	Georg	AIT Austrian Institute of Technology GmbH, Health & Environment Department, Seibersdorf, Austria
Watanabe	Makiko	Tokyo Metropolitan University, Graduate School of Urban Environmental Science, Japan
Willhaus	Karen	Federal Environmental Agency (UBA), Dessau, Germany
Wutzler	Thomas	Max Planck Institute for Biogeochemistry, Jena Germany
